

Website Accessibility Policy

CCB Community Bank is committed to providing equality of opportunity to persons of all abilities, including equal access to its website.

Our web pages are designed to be consistent with the Level AA recommendations of the World Wide Web Consortium's Web Content Accessibility Guidelines. Our goal is for our web pages, including electronic documents and multimedia, and associated web-based applications to be reasonably compliant with these guidelines.

While we make every effort to ensure accessibility, we are not responsible for third-party-provided web content or applications, such as links to outside sites.

Our efforts to ensure equal access are ongoing. CCB will periodically review its website for adherence to this commitment. If you have a disability, we welcome your feedback about the accessibility of our site. If you find a part of the site that you feel does not conform to Level AA of the WCAG, please use one of the methods below to let us know so that we can rectify it.

Contact Us (334) 222-2561, send a Secure Email from our website, or visit one of our branches.

This policy may change over time as changes are made to both accessibility guidelines and web technology.
